

16th Buraq Space Camp 2019

“Education without co-curricular activities is like educating the mind without soul”

Peshawar Model Girls High School has a broad educational mission to develop the “Whole Student”. We are committed to providing a positive, safe and stimulating environment for children to learn, where all are valued. We intend that all children should enjoy their learning, achieve their potential and become independent life-long learners.

Fazia Saeed, student of class X-S from Peshawar Model Girls High School was selected for the “16th BURQA SPACE CAMP”. She spent 10 days over there with 40 other students from all over Pakistan. Buraq challenged her mentally and physically and try to push beyond her limits. While in camping, she had a really great experience there, and once-in-a-lifetime opportunity of meeting students from all over Pakistan, who have the

same passion for science, while in camping, she met with internationally experienced and famous people like “Pervez Hoodbhoy”, “Dr. Bari”, and “Christiana Van”.

By spending 10 days in camp and with other students, she was very impressed by the team, particularly the activities they arranged. All of the activities were fun and creative, which brings out her hidden talent, creativeness, and capabilities to nurtures them. It give her the lesson of giving back to society and made her realized that she should be thankful to everyone around her.

She thanked Peshawar Model Girls High School for supporting her out to the new things and helping her on her trials.
