

We honorably present the cream of the crop, the highfliers of Peshawar Model Girls High School Warsak Road since 1995 up till now (2020) who passed their Board Examination with flying colors and earned an excellent name for the school.

This marvelous accomplishment would not have been possible without the intentness, dynamism, adherence and devotion of our wonderful team. Therefore, we dedicated our phenomenal achievement to our extraordinary team and our student's doggedness and whole heartedness.

We earnestly supplicate to ALLAH that He keeps showering His blessings upon us and may our students keep excelling in every examination they take and achieve everything within the realm of possibility.
